Minutes, Notes, and Happenings of last months' meeting

Last month's meeting was held on Tuesday, July 10th 2018. We had 15 members in attendance along with a large number of guests. Club member Terry S. brought along his wife May. David Long, who indicated he liked collecting Morgan Dollar by VAMS was also visiting.

In addition we had a large group that had come from the Montbello area of Denver. There were 3 Adults and, if the sign in sheet is correct, 5 YN's (Young Numismatists). An even cooler fact was that all the YN's were girls. These YN's were starting a new coin club called "Change of Hope" and were in attendance to check out our club. One of the adults was helping the YN's locally and the other two adults were visiting from Connecticut, (a husband and wife), who were members of coin clubs back there, and also related to some of the YN's. They were also here helping get this new club off the ground. All the YN's were asked what they liked to collect and your Secretary was most impressed that one YN's answer was Buffalo Nickels. I hope the NSCC made a good impression with them and wish them the best of luck with their new club. One of the YN's even won the Raffle prize. (See below for more details)

The meeting was called to order by President Bob C. at 7:02.

There were various magazines available.

Bob reviewed past Coin Shows. The Colorado Springs show was attended by some members.

Bob then reviewed his News Items.

Bob then reviewed the Raffle, Door Prize, and Coin of the Month.

A motion was made and seconded to approve the minutes that were in the Newsletter.

A motion was made and seconded to approve the Treasurers reports. We currently have \$2889.20 in the club account. (Remember that any adult member may see the complete Treasurer's report by simply requesting to view it at the meeting.)

Club members who attended Summer Seminar gave brief talks on what classes they took. Members included Michael S., John B., Dave We., Bob C., and Mark H. and classes included Grading, Counterfeit Detection, Coins of Colorado, Being a Coin Dealer, Colonial Paper Money. Some members took classes during both weeks.

Old Business

Club agreed to give the Church a donation of \$60 to say "Thanks", for letting us use the facility.

New Business

No new business.

Last Months' Show and Tell Recap

John B. – Had an example of the first thing produced by the Denver Mint. It is a So-Called Dollar with the date 1905 in large numbers on one side and the other side is blank. It is made in copper. It was produced for the opening ceremony of the new US Mint in Denver.

Michael S. – Had picked up a original bank wrapped roll of 1964-P Roosevelt dimes at the Colorado Springs show.

Mark H. – Had a new addition to his 2-Cent collection. It was dated 1872, which is one of the two key dates, and was in an old green PCGS holder graded AU55 with a green CAC sticker. He had picked this up at the Colorado Springs show.

Bob C. – Had a 1988-P mint set where the Kennedy Half dollar had a 45 degree rotation on the Reverse. Bob also had a Turtle coin that was a “Chinese Mythical Creature Coin” called the Black Tortoise. It was an Antique silver color and contained 2oz. of silver.

Prize Winners

Coin of the Month: Any US coin dated 2000 or later. The pot of 2 coins was won by Joann L.

Door Prize: A 1954-S Lincoln Cent graded MS65 RD by PCGS, was won by Gary B.

Raffle Prize: 1965 SMS Kennedy Half graded MS66 by NGC, was won by guest YN NaJa’Ray W.

Youth Door Prize: No prize was given out this month.

Thanks again to Ron Z. for donating prizes that are specifically to be given to Junior members.

Program

The program was a “GSA CC Dollars Hoard and the Sales of them” by John Dean. John had a great Powerpoint presentation that showed the history of all 8 sales that encompassed the GSA sale. He reviewed each sale, what types of coins were sold in the sale, the dates being sold, the minimum prices, how many of the coins were sold or left unsold (to be offered in later sales). It was amazing what CC coins you could get at fairly reasonable prices back then. John participated in the sales and did quite well with the type of coins he was able to acquire. He had examples of many of them for viewing after the presentation.

Interesting Coin Facts

This fact comes from the Greater Houston Coin Club Newsletter's Dr. Coyne column.

The U.S. Mint, working on a nation-wide coin shortage and blaming part of it on "coin collectors" issued all coins for 1965, 1966, and 1967 without mint marks. Coins from Philadelphia, Denver, San Francisco, and West Point all looked like Philadelphia (no mint mark) issues. There were also no proof sets made, though there were "Special Mint Sets". The 1968 issues saw re-introduction of proof sets and resumption of mint marks on circulation issues.
