Minutes, Notes, and Happening of last months' meeting

Last month's meeting was held on November 1st. We had 15 members and 1 guest in attendance.

President Dave F., called the meeting to order at 7:08.

Dave asked if any guests were present. We had one guest, Gary, he indicated that he and his wife inherited a bunch of old coins and he was trying to figure out what to do with them and if they were worth much. A second guest/new member was Michael M. He came as a guest but joined the club. He has an interest in Roman Imperial Coins, and said that he put himself through college by selling off a coin collection.

Dave reminded the club members that he had old copies of various coin magazines and papers to borrow.

Dave then reviewed one news story that he thought might be of interest. A widower found a rare 1703 Vigo Bay 5-guinea piece while searching through the belongings of her late husband. It is believed the coin could be worth \$130,000 to \$190,000 in an upcoming Auction in Lewes England.

Dave provided reviews of the previous months' coin shows. The Longmont show was busy and active. The Albuquerque show, which Dave attends, was also very good. The Greeley show was mostly lookers and no buyers, and finally the big Denver show was a good show.

Dave quickly reviewed the upcoming coin shows in the area.

Dave reviewed the Door Prizes, Raffle, and Coin of the Month for this meeting.

Steve L. reviewed the status of the Quarter and Dollars. Steve indicated that the 5th quarter and the 4th dollar are not yet available.

A motion was made and seconded to approve the minutes that were in the Newsletter. A motion was made and seconded to approve the Treasurers report. We currently have \$2,728.71 in the club account. (Remember that any adult member may see the complete Treasurer's report by simply requesting to view it at the meeting.)

Old Business

Dan Carr's Moonlight mint tour has now been scheduled. Information was given to club members and Mark would be contacting members whose names were on the "list" with details. The tour was to be held on November 10th.

Reminded everyone that there would be no December meeting and that the January meeting would be our Pot Luck and Election of new officers.

New Business

Dave indicated that he had renewed the Web site Domain name and also the PO Box.

Don K. and Joann L. will work on reserving the meeting room for our club dates in 2013.

Nominations were taken for the upcoming election. (See information listed at top of newsletter)

Fun Facts on Indian Head (Buffalo) Nickel .

Here are some of the facts that came out on the Indian Head cent (Buffalo) Nickel.

1. Minted from 1913 to 1938.
2. There were two varieties, the Mound type, only minted in the first part of 1913, and the Plains type, minted later in 1913 and through all the remaining years.
3. Buffalo pictured on the Reverse was believed to have been modeled after Black Diamond, a Buffalo in the NY City Central Park Zoo.
4. The Indians used as models for the face on the Obverse were believed to be Iron Tail, a Sioux, Two Moons, a Cheyenne, and Big Tree, a Kiowa.
5. Was the last coin, minted after 1920, to NOT have "In God We Trust".
6. Only six dates had Proof versions. 1913 (both varieties), 1914, 1915, 1916, 1936, and 1937.
7. Most popular coin used in carving HOBO Nickels.

Here are a few picture from the open house at the Moonlight Mint.

See the Coin of the Month below for an example of what Dan was overstriking during the Open House.
