Come up with one or more facts about the selected topic and bring them with you to the meeting. At some point during the meeting we will share our facts with the rest of the club members and hopefully we will

Minutes, Notes, and Happening of last months' meeting

Last month's meeting was held on January 3rd. We had 11 members along with one spouse attend our Pot Luck, which had been delayed one month from its' usual December date.

President Dave F. called the meeting to order at 7:03 and we immediately began eating. Dave resumed the meeting at 7:44.

Dave reminded the club members that he had old copies of various coin magazines and papers to borrow. Dave then passed on some news stories that he thought might be of interest. The first was an article about a hoard of 159 gold Roman coins found in England. The second article was about a new Sacagawea dollar / Washington Quarter Mule coin that was discovered.

Steve L. indicated that he had the Alaska Denali Parks Quarter and the 2nd Cleveland Presidential Dollar available.

Linda H. brought in an article on a 1892 Banknote from Creede, Colorado's First National Bank that sold at auction for over \$101,000.

Michael M. gave a quick preview of his upcoming March Program on Roman Imperials and how to conserve them.

A motion was made and seconded to approve the minutes that were in the December and January Newsletters. A motion was made and seconded to approve the Treasurers reports that were in the December and January Newsletters. We currently have \$2,712.14 in the club account. (Remember that any adult member may see the complete Treasurer's report by simply requesting to view it at the meeting.)

Old Business

Elections were held at the January meeting. Dave Wilcox was voted in for the Vice President position. Dave Welch was voted in again for Treasurer, and Linda Hankerd and Kent Jensen were voted in for Director positions. Thanks to the new Officers and Board members for their upcoming service to the club.

New Business

Dave has been updating the Website.

The July meeting this year falls on the 4th of July holiday. Club members were asked if they wanted to cancel the meeting or move it to another day. It was decided to poll the club members by email before a decision was made.

Dave also proposed changing the Coin of the Month for odd year Aprils to something other than Franklin Half dollar as they are getting expensive just due to the silver value. There was also discussion on the even year August Silver Washington quarter. The secretary will come up with some new selections.

Message from the President

Around this time of year, we all tend to look back at the previous year, celebrate our accomplishments and set goals for the upcoming year. For me as President of the Northside Coin Club, this also includes those for the club.

2012 featured a number of great events including talks on coins of the Smithsonian, of Clark & Gruber and of the Ancient Olympics. We had a hands-on grading exercise and were also visited by our good neighbors at ANACS and the Denver Mint. We then topped off the year by organizing a trip up to the Moonlight Mint for a close-up tour of Dan Carr's operations with his former Denver Mint press.

2013 will bring us a number of new events and I'm already busy lining up speakers for us. We have a lot of things we'd like to accomplish this year but the Board can't accomplish them by their selves. We need help from all of our members. I hope you all have a chance to think of what you can do to contribute to the club. This may mean simply attending our meetings and helping to set up before the meeting or tearing down afterwards. It can mean volunteering to bring refreshments or helping run the quarterly auction. It may mean planning or organizing a presentation for the club. It may mean spending a little time to write something to contribute to the newsletter. Whatever you can do, no matter how big or small, helps to make the club stronger.

I also tend to think about all of our members, both our new ones and those we haven't seen in a while. I realize we all get busy and sometimes attending a club meeting may become less of a priority. But for all of you that haven't made it to our meetings in a while, I just want to say that you are still welcome. And if for some reason you aren't able to attend our meetings due to a schedule conflict, we hope that you still want to be part of our club. So please, drop us a line at info@northsidecoinclub.org and let us know how you are doing and support the club by mailing us your annual dues (PO Box 1837, Broomfield, CO 80038).

If you would like to submit an article for the newsletter or an editorial to be used in the "Secretary's Editorial Page", just email it to me at info@northsidecoinclub.org.
