Minutes, Notes, and Happening of last months’ meeting

Last month’s meeting was held on March 7th. We had 18 members and one guest in attendance. Guest Joe D. had acquired many coins over his life and now wants to find out what they are worth.

President Dave F. called the meeting to order at 6:58.

Paul DeFelice from ANACS gave a quick update on ANACS move into a new and better facility close to where their old facility was. They will have some new services coming online including the free use of a huge Library for research, (for on-site use of materials only), along with Photography and Conservation of submitted coins.

Dave reminded the club members that there were old copies of various coin magazines and papers to borrow.

Dave then passed on a couple of news stories that he thought might be of interest. The first was about a large number of counterfeit ASEs, and also fake “Prospector” silver bullion rounds, being passed at many Midwest coin shows. The second was about a winery in France that found bags of US \$20 gold coins, 500 in total, while renovating a building.

Steve L. indicated that he had the McKinley Dollars and N.H. America the Beautiful quarters.

Dave mentioned that there were no Coin shows in February and then reviewed the upcoming March shows.

Dave reviewed the Door Prizes, Raffle, and Coin of the Month for this meeting.

A motion was made and seconded to approve the minutes that were in the February Newsletter. A motion was made and seconded to approve the Treasurers report. We currently have \$2,897.52 in the club account. (Remember that any adult member may see the complete Treasurer’s report by simply requesting to view it at the meeting.)

Old Business

Because of the cancelling of the July meeting, the club is looking into trying to do a Coin Fair. Our club membership is declining and we need to try and recruit some new members. Pros and Cons of holding a Coin Fair were discussed along with what work would need to be done by the membership.

New Business

Discussed the possibility of having an Auction at August meeting.

Last Months’ Show and Tell Recap

Dave F. showed a Greek coin with an Owl on it that was from Athens. It was a Tetradrachm and had an Owl and an inscription on the Reverse with the head of Athena on the Obverse.

Requests

If you have pictures of coins that you would like to see in the Coin Chatter under the Coin Picture of the Month, please email them to your Secretary. I would prefer jpeg files that are 40k or less in size with a white background.

If you would like to write an article on a coin subject that interests you, and you think other members would be interested in that subject also, send it to your Secretary and it can be published in the Coin Chatter.
