### Minutes, Notes, and Happening of last months' meeting

Last month's meeting was held on August 13<sup>th</sup>. We had 17 members and one guest in attendance. The guest, Gary C. ended up becoming a club member by joining later in the evening.

Vice President Dave Wi., subbing for ailing President Dave F., called the meeting to order at 7:03.

Dave introduced our guest Gary C. Gary acquired a collection from an Uncle and has been dabbling with it. Dave reminded the club members that there were old copies of various coin magazines and papers to borrow. He and Mark H. then related a few stories from Coin World. A Counterfeit 1881-CC Morgan dollar in a fake GSA holder was discovered by ICG at the FUN show in Florida. The article described the diagnostics that were used to determine the holder was a fake. A 1796 Draped Bust half dollar, which was a Gallery Mint reproduction, had the word "Copy" skillfully removed by wearing down the coin to a lower grade. Even at a low grade this coin is very valuable because of its' rarity. ANACS discovered this coin. Dave We. relayed the Dave F. report on recent coin shows. Dave F. indicated that the Aurora show had been busy in the morning but slow in the afternoon.

Dave We. reviewed the upcoming coin shows.

Dave reviewed the Door Prizes, Raffle, and Coin of the Month for this meeting.

Steve L. had the Nevada Great Basin, Ohio, and New Hampshire White Mountain quarters available, along with the 2013 Native American, Teddy Roosevelt, and Taft dollars. Dave also brought in the article he had mentioned last month about interest in legislation to change our coinage to more classic Liberty style designs for the Dimes and Quarters.

A motion was made and seconded to approve the minutes that were in the Newsletter.

A motion was made and seconded to approve the Treasurers report. We currently have \$2,998.81 in the club account. (Remember that any adult member may see the complete Treasurer's report by simply requesting to view it at the meeting.)

Linda H. brought in some homemade snacks. Thanks Linda!

### Old Business

Reminded everyone that, obviously, our meeting night was now the second Tuesday of each month, and that all meetings were now back on the schedule. Looking forward to the December Pot Luck again.

### New Business

No new business.

### Last Months' Show and Tell Recap

Dave Wi. – brought in a Civil War Token. Also found a 179? dated US Large Cent coin in a foreign coin junk box. Was getting feedback from club members on what they thought the date was.

Steve L. – had received a coin a friend had acquired in Ecuador. The friend thought it was some type of local coin. Turned out it was a US Sacagawea Dollar coin.

Dave We. – had a Civil War Token, based on the Indian Head Cent design, where the die was just about ready to fall apart. It had a huge number of large die cracks and had also been clashed as you could see some of the reverse images on the obverse.

Mark H. – brought in a "Horse Blanket" dollar that he had acquired. It was a 1917 series US One Dollar Note with George Washington on the front and a large X on the back.

### Program

Last month's program was Civil War Tokens given by Preston Rell. Preston gave some history on why there was a need for these tokens. When the Civil War broke out, the people became worried and began hoarding all silver and gold coinage. This soon spread to even the copper large cents and half cents. Without any coins, everyday transactions to purchase items became difficult. Paper money could be used but it was difficult to make change without coins. Merchants began creating these tokens to give as change with the idea that the person would have to come back to their store to spend them. Preston also described the various types of tokens, such as Store Card, and Political/Patriotic, and Cent Facsimile.
