RAFFLE PRIZE – This month's Raffle Prize is a 1943 Walking Liberty Half Dollar graded AU-55 by ANACS.

PROGRAM – The program this month is "Numismatic Identification Roundtable" Bring something you have that you don't know what it is. We will use the knowledge of all club members in an attempt to determine what you have. This can include tokens, coins (US or foreign), bullion, currency, etc. Basically anything resembling a numismatic item you'd like to learn more about. It could also include US coins that you would want to see if it is a variety of some sort or not

SNACKS – No one has volunteered to bring snacks in April.

If you would like to bring snacks, just sign up on the attendance sheet for the month you would like to bring them.

No one has signed up yet to bring snacks for any other future meetings.

COIN of the MONTH – Kennedy Half Dollar. (A nice, no problems coin, which you, as a collector, would like to have, would be appreciated).

[The "Coin of the Month" works as follows. Bring one coin, of the type described as the featured coin of the month, preferably in a 2x2 or flip. If you bring a coin, you will get a ticket in the drawing and your coin goes into the pot. We then draw one ticket and the winner gets the entire pot of coins that were featured.

SHOW and TELL – Bring some interesting item from your collection that you would like to show the members and give a quick (1 minute) talk on.

ANA NEWS – No ANA news to report this month.

UPCOMING PROGRAMS – In May there will be a Swap Meet.

Minutes, Notes, and Happening of last months' meeting

Last month's meeting was held on March 11th . We had 14 members in attendance.

President Dave F. called the meeting to order at 7:02.

Dave had various coin magazines, papers, and Greysheets to borrow this month.

Some interesting news items; There has been a lot of press on the Saddle Ridge Hoard of Gold coins. The mint is again looking into the costs of using Copper-Nickel in coins, as the prices are rising. PCGS graded and authenticated a 1974-D Aluminum Cent which is the first known example. Canada is using a new laser security technique on its' \$50 coin to prevent counterfeiting.

Dave talked about the metal content of the Olympic medals. The Gold Medals are only plated.

Dave reported on recent coin shows. The Cheyenne show was not good. The Longmont show only had a fair turnout.

Dave then reviewed the upcoming shows.

Dave reviewed the Door Prizes, Raffle, and Coin of the Month for this meeting.

A motion was made and seconded to approve the minutes that were in the Newsletter.

A motion was made and seconded to approve the Treasurers report. We currently have \$3,107.52 in the club account. (Remember that any adult member may see the complete Treasurer's report by simply requesting to view it at the meeting.)

The NSCC received a gift from John Dean. John, who is a member of the Denver Coin Club, and has given multiple programs at NSCC on So Called Dollars, and Mint Medals, and has written or co-authored multiple books on the subject, presented the club a customized CENTS Bingo game. This is a Bingo game that uses the letter CENTS instead of BINGO on the cards. John has created one of these for the Denver coin club and the club usually plays this during their year-end pot luck meeting. NSCC members agreed that we will have to try it at this Decembers' pot luck. Thanks John!

Mike K. and Rich M. brought snacks. Thanks guys!

Old Business

No old business to discuss this month.

New Business

The clubs' dues for the ANA membership is due. Dave asked if we had any new ANA members as we get a renewal discount for every ANA member in the club. Dave will submit the renewal.

Last Months' Show and Tell Recap

No time for Show and Tell this month as the program was long.

Program

The program in March was on Coin Resources". Club member Bob C. discuss the various places you can get information on what you collect. Bob had compiled a nice list of various books and magazines, which he categorized by such topics as General information, Investing in coins, U.S. Specialties and Varieties, Grading, World Coins, Currency, and Other. He also had a good list of online sites and even had his laptop on hand to demonstrate some of these sites.

Requests

If you have pictures of coins that you would like to see in the Coin Chatter under the Coin Picture of the Month, please email them to your Secretary. I would prefer jpeg files that are 40k or less in size with a white background.

If you would like to write an article on a coin subject that interests you, and you think other members would be interested in that subject also, send it to your Secretary and it can be published in the Coin Chatter.

The NSCC needs programs! If you have a program idea or know of someone who can do a program at an upcoming NSCC meeting, contact the NSCC President or Secretary.
