Minutes, Notes, and Happening of last months' meeting

Last month's meeting was held on Tuesday October 14th. We had 16 members in attendance along with 1 spouse and 3 guests.

President Dave F. called the meeting to order at 7:00.

Dave welcomed 3 guests, Johnny Pedilla, a Navy retiree who collects odds and ends and silver. Andrew Bufkin, a new collector, and Chad Anderson, also a new collector.

Dave had various coin magazines, papers, and Greysheets to borrow this month.

Some interesting news items; A legal case involving a 1974-D Aluminum Cent had a Judge rule that the owner had failed to prove that they own the coin. An auction sold a \$10,000 Federal Reserve Note for \$117,500. Designs for next years' quarters have been released. The US Mint may mint a Standing Liberty Quarter in 2016 to commemorate the 100th anniversary of the original. They may also do a gold version.

Dave reviewed the past shows. The Jefferson County show in August was slow. The Longmont show was dead with few customers.

Dave then reviewed the upcoming shows.

Dave reviewed the Door Prizes, Raffle, and Coin of the Month for this meeting.

A motion was made and seconded to approve the minutes that were in the Newsletter.

A motion was made and seconded to approve the Treasurers report. We currently have \$3,159.12 in the club account. (Remember that any adult member may see the complete Treasurer's report by simply requesting to view it at the meeting.)

Program

The program was a “Coin Grading Roundtable” hosted by Dave F. and Mark H. Dave and Mark described the process you should use to grade coins including using the proper lighting to view the coins. How to look for luster and luster breaks. The importance of strike, and how marks and nicks affect grade. Many slabbed coins were then passed around to allow the club members to attempt to grade them. The grades on the slabs were covered. Then each coin was discussed and the slabbed grade was revealed. Most coins were Mint state or high AU. This was to try to teach the importance of looking for slight wear and luster breaks.
