Upcoming Meeting Announcement

Note that the meeting location has changed!
Make sure to come and check out our new improved meeting place!

The monthly Northside Coin Club meeting will be held on Tuesday September 13th, 2016 at 7 PM (doors open at 6:30) at the **Cross of Christ Lutheran Church** in Broomfield, see our web site www.northsidecoinclub.org for directions. The church is located on the corner of Lowell Blvd and 121st Place, just a couple of blocks east of our old meeting site. When you turn off of 120th onto Perry, as if you were going to the old location, just take the first right onto 121st Place and go a couple of blocks until just before you get to Lowell Blvd. The Church will be on your right. Turn into the parking lot before you get to the church buildings.

Other Announcements

RAFFLE PRIZE – This months’ Raffle Prize is TBD.

PROGRAM – “American Indians on US Coins and Currency” by Bob Bair.

SNACKS – No one has signed up to bring snacks in September.

If you would like to bring snacks, just sign up on the attendance sheet for the month you would like to bring them.

No one has signed up yet to bring snacks for any other future meetings.

COIN of the MONTH – Token or Medal. Bring something worth \$5 - \$10. (A nice, no problems coin, which you, as a collector, would like to have, would be appreciated).

[The “Coin of the Month” works as follows. Bring one coin, of the type described as the featured coin of the month, preferably in a 2x2 or flip. If you bring a coin, you will get a ticket in the drawing and your coin goes into the pot. We then draw one ticket and the winner gets the entire pot of coins that were featured.

SHOW and TELL – Bring some interesting item from your collection that you would like to show the members and give a quick (1 minute) talk on.

ANA NEWS – The American Numismatic Association’s 2016 World’s Fair of Money welcomed 8,192 people at the Anaheim Convention Center in Anaheim, Calif, Aug. 9-13.

UPCOMING PROGRAMS – Two Cent pieces.

PRESENTER RAFFLE PRIZE – 1942 Winged Liberty (Mercury) Dime graded MS-66 FB by PCGS. Bob C. presented in January and March. Joe C. presented in February, John B. presented in June, Dave Wi presented in July.

Minutes, Notes, and Happenings of last months’ meeting

Last month’s meeting was held on Tuesday August 9th. We had 15 members in attendance two of these attendees being new members.

President Bob C., called the meeting to order at 7:07.

Bob then welcomed all attending members to the new meeting location. He discussed the events that led to us being here and some of the rules for using the new meeting room. Members in attendance were very happy with the new location, and Bob hoped that we would want to make this our new permanent meeting location. The Church was very accommodating and is charging us nothing for the use of the facility. It is a large room, at least 4 times the size of our old facility, with many tables and chairs available to us. It is carpeted and has a large built-in screen so no more tables stacked next to each other. Bob proposed donating some money to the church each year in appreciation. This was generally agreed to by the membership with the Board deciding when and how much to give in November.

There were a few coin magazines, Coin World’s, and Greysheets to borrow this month.

We had 2 new members join, Brady W., who likes to collect Morgan dollars and Walking Liberty halves along with Bullion, and Dave G. who started collecting in the 1950’s and got back into coins in the 1970’s and has interests in Foreign and Ancient coins.

Bob reviewed past shows. Greeley was better that last year.

Bob then reported on upcoming Coin Shows.

Bob reviewed the Coin of Month, Raffle, and Door Prizes.

A motion was made and seconded to approve the minutes that were in the Newsletter.

A motion was made and seconded to approve the Treasurers reports. We currently have \$2978.17 in the club account. (Remember that any adult member may see the complete Treasurer’s report by simply requesting to view it at the meeting.)

Old Business

Bob indicated that he had again tried to sell some of our 10 year anniversary Wooden Nickels and had sold 2 of them on Ebay.

New Business

There was a request to do a survey of the membership as to what the members collect and have interests in. A sanitized version of this information would then be listed in the newsletter. (No specifics on who collects what)

There was then more discussion on the new meeting location and how this could be a positive thing for the club.

Last Months' Show and Tell Recap

Due to the discussion of the new meeting location and the Program there was no Show and Tell this month.

Prize Winners

Coin of the Month: . Washington State Quarter. The pot of 7 coins, was won by Dave F.

Door Prize: A 1981 Mint set was won by Dave We.

Raffle Prize: A 1976-S 3-piece Silver Uncirculated Mint Set , was won by Dave We.

Youth Door Prize: No youth prize this month.

Thanks again to Ron Z. for donating prizes that are specifically to be given to Junior members.

Program

The program for the month was supposed to be "Vatican Coins" by club member Linda H, but Linda wasn't feeling well and could not attend the club meeting so President Bob C. brought a box of 20 slabbed coins that his employer (Tebo Coins) had sent to CAC. As a club activity, we looked over the 20 coins, which had area of the slab covered up to prevent us from seeing a possible "Bean", but we did know the grade that the slabbing company had assigned to each coin. We tried to determine which coins may have received the coveted Green or Gold Bean. Each club member viewed all 20 coins and recorded their "guesses". Bob then revealed which coins had been "Beaned". It was a very interesting exercise. Club member Michael S. recorded a perfect score, guess he has a good idea of what CAC likes.

Requests

If you have pictures of coins that you would like to see in the Coin Chatter under the Coin Picture of the Month, please email them to your Secretary. I would prefer jpeg files that are 40k or less in size with a white background.

If you would like to write an article on a coin subject that interests you, and you think other members would be interested in that subject also, send it to your Secretary and it can be published in the Coin Chatter.

The NSCC needs programs! If you have a program idea or know of someone who can do a program at an upcoming NSCC meeting, contact the NSCC President or Secretary.

The President or Secretary can be contacted at info@northsidecoinclub.org

President's Notes

Northside Coin Club Meeting September 13, 2016

News Items

1. The next couple of months are a busy season for coin shows. We just had a show in Cheyenne last weekend with shows in Golden, Longmont, and Denver just around the corner. We should be able to get our coin show fix under our belts before winter sets in.

2. I look forward to hearing everyone's experience in buying (or trying to buy) the Standing Liberty 2016 Centennial Gold Coin last Thursday. I heard that people who tried to order their coin when the mint started taking their orders at 10:00 am, had problems completing their order. I ordered my coin at 2:00 pm and had no problems doing so. I checked the mint's web page Friday morning and there were still gold coins available. Was the \$485 price tag too high? Was the household order limit of 1 a good way to go? Are these reasons why these coins didn't sell out in hours after opening sales?

3. **Did you hear about the 1964 Morgan Dollar dies that were found at the Philadelphia mint?** August 30, 2016 by Coin World. **Story Summary:** Whitman Publishing announced last month that they would be coming out with a new 5th edition of their Guide Book (red book) of Morgan Silver Dollars September 27, 2016. This edition will contain information on the previously unknown 1964 Morgan dollar. John Dannreuther, Dennis Tucker, Q. David Bowers and David Sundman, were at the Philadelphia mint in July of 2015 on a research mission that included a look at the Mint's archives. Dannreuther was going through a cabinet of trays with various tooling for a variety of Mint products when he noticed obverse and reverse galvanos for the Morgan dollar; Tucker joined him to look at them when they both noticed at the same time that the obverse was dated 1964. Much excitement followed, and they were granted entrance to the vault for dies and hubs, where additional tooling was found. No coins were found and uncertainty remains as to whether any working dies or trial strikes were made. Obverse and reverse models for the 1964 Peace dollar were found as well, plus hubs and master dies for that coin, which we know were struck.

4. **Australian man unearths 145-ounce gold nugget found using metal detector.** August 24, 2016 by Coin World. **Story Summary:** An Australian man who has spent his weekends the past 10 years prospecting for gold with a metal detector has unearthed a 145-ounce gold nugget valued at \$250,000 AUD (\$190,282 in U.S. funds). The discovery was announced Aug. 25 by Minelab, the metal-detecting equipment manufacturer whose flagship GPZ 7000 model metal detector was used to locate the nugget. The unnamed prospector, who wishes to remain anonymous, dubbed his find "Friday's Joy" after it was recently located in the far southern edge of Central Victoria's Golden Triangle in Australia.

5. **Another large gold nugget has been discovered, and this time it's in the U.S.** September 7, 2016 by Coin World. **Story Summary:** A Modesto, Calif., man discovered an 18-ounce gold nugget in a river about 60 miles outside of Stockton, Calif., last week. Oscar Espinoza reported the find to a friend on the afternoon of Aug. 30. It may not be 145 ounces, but it's still quite a find.

6. **Designer of Loonie dies**, September 2, 2016 by Numismatic News. **Story Summary:** Robert-Ralph Carmichael, designer of Canada's celebrated Loonie dollar, died July 16 in Sault Sainte Marie, Ontario. Carmichael was a major Canadian artist. Whatever the power of his art, he will long be remembered for a simple scene of nature: a solitary Common Loon swimming on a lake. There have been one billion Loonies struck since 1987.

7. **US Mint News – Forum to Discuss Numismatic Hobby**, September 6, 2016 by CoinWeek. **Story Summary:** The United States Mint is holding a one-day Numismatic Forum on Thursday, Oct. 13, 2016, in Philadelphia. The purpose of this meeting is to gather individual members of stakeholder organizations to share perspectives on the past, present, and future of the numismatic hobby. In anticipation of the Mint's 225th anniversary in 2017, the Forum will discuss the future of the Mint and the numismatic environment as a whole. Those interested in attending should submit requests to USMintNumismaticForum@usmint.treas.gov

(Views here are mine and may not reflect the views of the NSCC or its other officers)

In late July the NSCC Board was informed by Cimarron Village that the Community Building would not be available to the club as they were doing some remodeling of their offices and were going to use the Community Building as temporary office space. Then when the office space had been remodeled they would move back in and remodel the Community Building. This meant that the NSCC would have to find a new meeting space for possibly a year or more.

This could very easily have been a death blow to the NSCC as we don't have the kind of Treasury which would allow us to pay for most other meeting places. President Bob C. jumped in with both feet and found a replacement facility just 2 blocks east at Cross of Christ Lutheran Church. This church was very gracious in that they provided us this space at NO COST, as long as we continue to meet their guidelines for using the facility.

And what a facility it is. A very large room, at least 4-6 times the size of our old meeting location, with good lighting, carpet, air conditioning, and a fantastic wall sized screen for projecting our programs on. Down the hall are nice restrooms for our use and there is an attached kitchen that could be useful for our December Pot Luck.

As a club this becomes a very attractive location, and much easier to find, and hopefully new prospective members will see it as such and want to join NSCC. I also hope some of the old members, who were perhaps turned off by the old location, find this a great location and start attending regularly again.

At our first meeting in August at the new location, I believe every member present was impressed with the facility. As Secretary, I am very enthusiastic about holding our meetings, hopefully for a very long time, at this location and think this could help boost membership in NSCC.

But I caution the membership to make sure we follow the guidelines that the Church requires so that we don't lose the use of this great new meeting place.
