Minutes, Notes, and Happenings of last months’ meeting

Last month’s meeting was held on Tuesday January 10th. We had 14 members in attendance.

The meeting was called to order by President Bob C at 7:02.

There were a few coin magazines, Coin World’s, and Greysheets to borrow this month.

Bob indicated that there had been no shows since the last meeting.

Bob then reported on upcoming Coin Shows.

Bob reviewed the “President’s Notes” news Items listed in the Newsletter.

Bob reviewed the Coin of Month, Raffle, and Door Prizes.

A motion was made and seconded to approve the minutes that were in the Newsletter.

A motion was made and seconded to approve the Treasurers reports. We currently have \$2774.88 in the club account. (Remember that any adult member may see the complete Treasurer’s report by simply requesting to view it at the meeting.)

The Elections were held. See above for results.

Bob C. handed out a survey and requested all members to fill it out. It was basically an attempt to find out what interests the membership had for future programs.

Old Business

No old business.

New Business

Dave F. indicated he would like to update the club Website. The club agreed to this and Dave will begin work on the updates.

Dave F. discussed the issue with Raffle Prizes. Many months the club is losing money on the prize as we don’t have enough members attending the meetings to purchase tickets. Proposed having 2 Raffle prizes

each month, a higher priced prize and a lower priced prize. Both would be listed in the Newsletter but the actual prize on the meeting night would depend on club attendance. The members liked this idea and it will start with the February meeting.

Last Months' Show and Tell Recap

Bob C. - Brought in his Coin of the Year award winning Turtle Coin.

Dave F. - Talked about a new movie available on Netflix called "Coin Heist". He had watched it and said it was targeted for teenagers and wasn't really that good, but said you should at least check it out if you have Netflix.

Dave also picked up a medal at the Ft. Collins Coin Show. It was a 1876 Philadelphia Centennial Exposition Medal in the original box, which is tough to find. The medal is bronze and 3 inches in diameter.

Dave also talked, off topic, of his Fantastic 4 issue #1 comic book, in a slab from NGC's comic book grading service. It was Stan Lee's first superhero comic book.

Dave G. - talked about how France had colonized areas in North America and showed where these were on a map. He had a 1839 coin made in Paris for use in these colonies.

Mark H. - Had a 1979 Susan B. Anthony Dollar coin that he had snagged at the bank where he worked. It was in among a bunch of Presidential dollars. The reason in was in with these dollars was that it had been gold plated. In addition it was a S mint proof coin.

John D'A. - Had a Metal box from the US National Bank of Denver that had been used for storing legal papers.

Kent J. - Had an article for the Denver Post newspaper on some experimental cents made in 1942 out of glass.

Interesting Coin Facts

In 1982 the US transitioned the cent to being made with zinc coated in copper. There were two sized dates and it has been listed in the Redbook that a total of seven varieties were available. 1982 P&D in both Large Date and Small Date copper coated zinc, 1982-P Large and Small Date copper, and 1982-D Large Date copper.

The Big news is that just recently PCGS authenticated and graded an 1982-D Small Date Copper cent as AU55.

So it looks like all eight varieties actually exist.
