Minutes, Notes, and Happenings of last months' meeting

Last month's meeting was held on Tuesday March 14th. We had 15 members in attendance and 4 guests.

The meeting was called to order by Vice-President Terry K at 7:05.

We had 4 guests. Moria said she has been collecting since the age of 10 and likes US and foreign coins. Pam, who had received some coins from her father that has sparked her interest in coins. Father and daughter Scott and Lauren. Scott and Lauren attend the Cross of Christ Lutheran church where are meetings are held. Lauren was the winner of the basket coins and coin related items that the NSCC had provided to the church for their fund raising auction. They had come to check out the club. Lauren indicated that she enjoys collecting US Quarters and US cents (pennies). She also gave the club a rundown of many of the items that had been in the prize basket.

Terry reviewed the previous shows. The Longmont show had been attended by Michael S. who said he had arrived before noon and that there was a good turnout and that dealers were busy.

Terry then reported on upcoming Coin Shows.

There were a few coin magazines, Coin World's, and Greysheets to borrow this month.

Terry reviewed the Coin of Month, Raffle, and Door Prizes.

A motion was made and seconded to approve the minutes that were in the Newsletter.

A motion was made and seconded to approve the Treasurers reports. We currently have \$2994.73 in the club account. (Remember that any adult member may see the complete Treasurer's report by simply requesting to view it at the meeting.)

Terry reviewed some interesting items in the news.

The US Mint for the first time in history issued the 2017 Cent with a P mint mark. This will be for 2017 only and in 2018 the Philadelphia mint will again not put a mint mark on the Cents. This was to commemorate the 225th anniversary of the US Mint.

The US Mint is looking at minting a Palladium Coin. It will have the "Mercury Dime design" on the Obverse and Eagle on the Reverse.

The Boys Town Commemoratives are being released in gold, silver, and clad versions.

The rise in Zinc and Lead prices causing increased mining of those metals also causes an increase in silver production as silver is usually in with the lead and zinc ore. This causes Silver prices to decrease.

Old Business

Dave updated the club on the Website changes. He indicated that many of the changes are done and the site has gone live. He may be doing some additional enhancements in the future.

As mentioned above the Basket of coins and coin items that the club provided to the Church was sold in the Auction to raise money for their Pre-School. Lauren E. was the winner and her and her father attended the meeting.

New Business

The Church has asked the club to donate an auction item for the Pre-School Auction that they hold as a fund raiser. The Club is putting together a Numismatic item that includes some slabbed coins, Redbook, State Quarters book, and other coin related items that might spark the interest in a new collector. It is time to renew our ANA club membership. Dave We. is working on taking care of this. The church will not be available on April 11th for our normal meeting time so members decided to postpone the meeting 1 week to April 18th.

Last Months' Show and Tell Recap

Dave Wi. – Had some California Gold tokens that resembled the old fractional gold coins. These were just replicas.

Dick C. - Had obtained a collection of 800 foreign coins. There were a few US coins in collection, and one was a 1930-D cent that was elongated. Most opinions were that it was due to Post Mint Damage (PMD).

Michael S. – Had a 60th year Jubilee Coin for Queen Victoria in high relief and in Sterling silver. Also had an Imperial 1875 3 Ruble Russian gold coin with Alexander. ANACS slabbed it AU58 details cleaned.

Dave G - Had 3 Cuban banknotes. 1 Peso note with Jose Marti, 3 Peso note with Ernesto Guevara, and a 20 Peso note with Camilo Cienfuegos.

Prize Winners

Coin of the Month: Silver Roosevelt Dime. The pot of 6 coins, was won by Michael S.

Door Prize: A 2008 Presidential Proof set, was won by Dick C.

Raffle Prize: A 1942 Mercury Dime graded MS66 FSB by NGC, was won by Michael S.

Youth Door Prize: No youth prize this month.

Thanks again to Ron Z. for donating prizes that are specifically to be given to Junior members.

Program

The program was on “World Coins: An Update on Values and Why It’s a Great Time to Collect” by Dave F. Dave did a comparison of some select coins from many countries from the new 2017 Krause World Coins Catalog and the 2015 catalog. He noted that some new grade categories had been added and that many coin prices were at the newer lower grade levels. An example would be that the old catalog only had MS65. Now it has MS63 and MS65 but the MS63 prices are what use to be under the MS65 grades. He looked for trends. He reviewed what he thought were overpriced and underpriced coins and what might be happening in the future. He felt that many of the prices in the new catalog are low and that they could be going up in the future which makes now, a good time to start collecting foreign coins.

Interesting Coin Facts

The only time that United States "Nickels" (5 Cent Pieces) did not contain Nickel, since they first began being minted in 1866, was during World War II (1942-1945). The "Wartime" US Nickels contained 56% copper, 35% silver, and 9% manganese.
