Upcoming Meeting Announcement

We will be holding a virtual Zoom meeting! See below for details.

Due to COVID-19 restrictions, we are unable to have our May meeting at the Cross of Christ Lutheran Church in Broomfield. Our club officers met in April via Zoom and decided to hold a virtual meeting at our normal 7:00 pm time on Tuesday, May 12. It will be an informal meeting mainly to check in with members and see how everyone is doing. If someone has a coin related story or a coin to show they can have a couple of minutes, but most of the meeting will likely just be seeing and hearing how everyone is doing. There will be no program, no raffle, no door prize, no coin-of-the-month drawings. Even Bob will try not to talk too much about turtle coins.

You may not be familiar with this Zoom video conferencing software. Not all the officers had used Zoom before when we held our virtual board meeting last month. Links have been included in this notice below to allow you to participate. You just need to click on the appropriate link to join the specific meeting you are interested in. If you have never used Zoom before, it will be installed on your computer the first time you click on a Zoom meeting invitation. For the people who have never used Zoom before, we will have a Practice NSCC Virtual Meeting on Sunday, May 10 at 7:00 pm. This will be for any NSCC member who wants a trial run at using Zoom before our actual virtual meeting 2 days later.

If you would like to attend either the practice NSCC meeting on Sunday, May 10 or the scheduled NSCC meeting on Tuesday, May 12, just click on the appropriate link below:

If you have any questions about these virtual Zoom NSCC meetings, you may email Bob at rtcarrjr@gmail.com or you may call or text him at 970-290-0262. Bob has used Zoom on his desktop computer, laptop computer, iPad, and iPhone and it works well. It works best if you have a camera on the computer or other device you are using, but you can participate in a Zoom meeting without one. People will just be able to hear you and not see you if you don't have a camera.

We hope you are doing well in isolation and will be able to join in our first ever virtual NSCC May meeting. It may be the best way to have NSCC meetings for a while until things are safer with the COVID-19 world we are living in.
