Upcoming Meeting Announcement

We will be holding a virtual Zoom meeting June 9th at 7:00pm.

Due to COVID-19 restrictions, we are still unable to hold in person meetings at the Cross of Christ Lutheran Church in Broomfield. Our club officers have decided to hold virtual Zoom meetings at our normal 7:00 pm time until such time as we can again meet in person.

You may not be familiar with this Zoom video conferencing software. Not all the officers had used Zoom before when we held a virtual board meeting, but proved to be easy to use. A link has been included in this notice below to allow you to participate. You just need to click on the link to join the meeting. If you have never used Zoom before, it will be installed on your computer the first time you click on a Zoom meeting invitation.

If you have any questions about these virtual Zoom NSCC meetings, you may email Bob at rtcarrjr@gmail.com or you may call or text him at 970-290-0262. Bob has used Zoom on his desktop computer, laptop computer, iPad, and iPhone and it works well. It works best if you have a camera on the computer or other device you are using, but you can participate in a Zoom meeting without one. People will just be able to hear you and not see you if you don't have a camera.

If you would like to attend the scheduled NSCC meeting on Tuesday, June 9th, just click on the link below:

Interesting Coin Facts

The entire mintage of the Seated Dollar series running from 1840 to 1873 was less than 6.5 million coins. That is about the same number of Morgan Dollars struck in San Francisco in 1883 alone.
