### Upcoming Meeting Announcement

#### **We will be holding a virtual Zoom meeting February 9<sup>th</sup> at 7:00pm.**

Due to COVID-19 restrictions, we are still unable to hold in person meetings at the Cross of Christ Lutheran Church in Broomfield. Our club officers have decided to hold virtual Zoom meetings at our normal 7:00 pm time until such time as we can again meet in person.

You may not be familiar with this Zoom video conferencing software. A link has been included in this notice below to allow you to participate. You just need to click on the link to join the meeting. If you have never used Zoom before, it will be installed on your computer the first time you click on a Zoom meeting invitation.

If you have any questions about these virtual Zoom NSCC meetings, you may email Bob at [rtcarrjr@gmail.com](mailto:rtcarrjr@gmail.com) or you may call or text him at 970-290-0262. Bob has used Zoom on his desktop computer, laptop computer, iPad, and iPhone and it works well. It works best if you have a camera on the computer or other device you are using, but you can participate in a Zoom meeting without one. People will just be able to hear you and not see you if you don't have a camera.

If you would like to attend the scheduled NSCC meeting on Tuesday, February 9<sup>th</sup>, just click on the link below:

## New Business

The club received a nomination request from Don Kagin to be nominated for ANA President in the upcoming election. The club discussed this and decided to send in the nomination request.

A Zoom Virtual Bull Session was held on January 26<sup>th</sup>. The Zoom session had 9 club members participating. It was announced that the Denver Coin club program this month will be the reshowing of an ANA presentation on how to detect counterfeit Slabs. Bob C. showed off some of his collection including a Lynchburg Commem in NGC MS66, a 1958 Canadian dollar in PCGS MS66, a 1962 “Bugs Bunny” Franklin half in ANACS MS64, a 1963 Washington Quarter DDO in PCGS MS64, and 2014-P Australia PCGS PR70 DCAM Wedge Tail Eagle in High Relief. This coin is also a 1 oz. silver, Domed Coin. Mark H. showed off two coins he acquired from “The Colorado Collection” Auction that was part of the Houston Money Show. The pieces included an 1836 Large Cent EAC graded at VF35 and an 1839 Large Cent, Head of 1838, EAC graded at EF45/net 40 in a PCGS AU55 slab.

Bob C. also talked about a collection of “coins” that Tebo Coin had purchased from a person whose house had burned during the fires this fall north of Boulder. Not pretty. He also indicated that this person also had lost cash that was in the safe, as it burned up also from the extended time it was in the fire and the extreme heat.

From 1971 thru 1974 the US Mint packaged Proof Eisenhower Dollars in a separate plastic holder that was then placed in a cardboard sleeve. These sleeves were Brown in color, so these proofs became known as "Brown Box" Ikes. These proofs were made from 40% silver planchets.
